TRAIN-the-TRAINER I PROFESSIONAL DEVELOPMENT PROGRAM - 32 HOURS - \$ 3890.00

Sling User training is a required prerequisite for the Train the Trainer Program. The course will give an overview of the necessary ingredients to successfully develop and communicate the message of proper sling and rigging techniques. Topics include: enabling and terminal objectives, outline development and presentation methods. The participants will be provided a PowerPoint program to facilitate effective presentations and an Inspector Trainer Kit valued at \$950.00. Train-the-Trainer is much more than traditional trainer programs which simply repeat course content. Our Train-the-Trainer is a professional development program with very profound benefits, which will enhance all future training activities. The 32 Hour program features Hands on Inspection and Live Load Rigging Calculations.
